

THE 180° EXPERIENCE

THE STORY

Not ready to show your behind in our 360 experience?
Rather focus on the front side of your beautiful clients?
Our 180° stops at the right moment but still makes sure
that we capture your smile from ear to ear!

And did you know that this set-up is not even bigger than
your normal photo studio set-up? Great way to go 2.0 without
sacrificing a lot of space. Want to add a print to the 180°?
Choose one or multiple cameras and we will make it happen!
